Prof. Tadao Bamba
President
Shiga University of Medical Science
520-2192 / Seta Tsukinowa-cho, Otsu, Shiga,
JAPAN

Dear Prof. Tadao Bamba

I was deeply saddened to hear Japan and Japanese people experienced the 9 Richter earthquake and tsunami that had been causing serious losses and damage to the many localities in Japan.

In all the forming and developing history of Cho Ray hospital, our hospital received many precious sponsoring from Japanese Government, International Cooperation Associations, Universities... The international cooperation between Japan and Viet Nam specially with Cho Ray hospital is very noteworthy. We always consider Japan and Japanese people as dear friends and significant partner.

On behalf of my all colleagues at Cho Ray hospital, I would like to offer all of you with deepest sympathy for serious losses that Japanese people have been standing from the double disaster.

I hope all of you and your family, your relatives are safe.

I also hope Japan government and Japanese people will overcome difficulties from these losses early as well as your country economy is be stabilized and developed very soon after this catastrophe.

And we kindly please to give you our hand in this hard circumstance.

Best and warmest regards,

NGUYEN TRUONG SON, MD. Ph.D.
Director
